Issue:

Cooperative Agreement – 2400 South 5600 West Signal - UDOT

Synopsis:

UDOT will participate in the relocation of a traffic signal on 5600 West from 2455 South to 2400 South

Background:

West Valley City is preparing to construct a new roadway at 2400 South to intersect into the east side of 5600 West. It is desired by West Valley City and UDOT to relocate the existing traffic signal from 2455 South to 2400 South to accommodate the new roadway, and the future relocation of the SR-201 Frontage Road into the west side of 5600 West as part of the proposed Mountain View Corridor. It is estimated that the signal relocation will cost \$140,000. Through this agreement, UDOT commits \$28,128 toward the project, and the remaining cost will be paid with state funds received from HB-377 from the 2013 Legislative Session.

Recommendation:

Approval of the Cooperative Agreement with the Utah Department of Transportation

Submitted By:

Daniel Johnson, P.E., City Engineer
