**ISSUE:**

Adoption of the 2015 West Valley City Mitigation Plan

**SYNOPSIS:**

The Mitigation document is the roadmap for disaster preparation services for West Valley City. The Federal Emergency Management Agency (FEMA) requires each State, County and City to adopt a plan for mitigating emergencies within the area. The plan is a working document that allow each area to continue to work on mitigating issues as they relate to specific hazards

**BACKGROUND:**

West Valley City adopted a plan in 2009 which is now up for renewal. The plan is part of a Salt Lake County wide plan with each area adopting the plan. The plan as written has been approved by the State of Utah and by the Federal Emergency Management Agency.

**RECOMMENDATION:**

The West Valley City Fire Department recommends the adoption and approval of the Mayor and the City Council
