SYNOPSIS:

A cooperative agreement between West Valley City and the Utah Department of Transportation

BACKGROUND:

West Valley City is preparing to perform pavement rehabilitation work on the bridge decks over I-215 at 3100 South and Parkway Boulevard. Under UDOT administrative rules, in the event that a state route crosses under a local road, the local jurisdiction is responsible for pavement and minor deck maintenance, and the state is responsible for major structure maintenance. This agreement facilitates UDOT participation in the amount of \$100,000 to reconstruct the expansion joints on both structures.
