Renew contracts with SelectHealth for medical benefits to the City's employees.

SYNOPSIS:

Renew the contracts for Fiscal Year 2015-2016.

BACKGROUND:

SelectHealth has been providing medical benefits for West Valley City for the past eleven years. Since SelectHealth has been providing benefits, the City has also contracted with them to provide retiree benefits and post 65 benefits. We have had amazing success in keeping our premium costs low during the past several years. This year we negotiated an 8% increase, well below the 10-12% standard increase.
