ISSUE:

A resolution awarding a contract for the 3425 West Sidewalk Improvement Project to Acme Construction.

SYNOPSIS:

The lowest responsive and responsible bid West Valley City received for the 3425 West Sidewalk Project is from Acme Construction, in the amount of \$176,876.50. This resolution will authorize an additional 10% of the contract price for change orders if they become necessary, for a total contract amount of \$194,500.00.

BACKGROUND:

Bids for the project were opened on July 7, 2015. A total of four (4) bids were received. The lowest responsible and responsive bid was by Acme Construction.

This project will build a new sidewalk on the west side of 3425 West from the existing sidewalk south of Meadowbrook Drive (4270 South) to the north end of Robert Frost Elementary School (4305 South). The sidewalk is being built within existing City right of way. This project is located on a school walking route, and will provide the children with a safe place to walk, outside of the roadway.

The project was previously awarded State Funds that will cover 50% of the cost of the project, up to \$100,000.

RECOMMENDATION:

City staff recommends approval of the resolution.
