**ISSUE:**

Purchase a new Tymco 600 Sweeper valued at \$238,150.00 less \$85,000.00 trade-in value of a Tymco 600 Sweeper.

**SYNOPSIS:**

Intermountain Sweeper submitted a proposal to the Public Works Department. The proposal qualifies under the provisions of the West Valley City Procurement Code 5-3-110, Procurement to Meet Existing Needs. The code allows the procurement of matching equipment when it is beneficial to operations and maintenance. The Fleet Manager and Operations Managers have negotiated the best price available.

**BACKGROUND:**

Street sweepers are high maintenance vehicles. The current policy of replacing sweepers every four years has proven economical by avoiding high repair costs and recouping high trade-in values for the old sweepers. The street sweeper being replaced is a 2011 Tymco 600.

The Public Works Department has used Tymco sweepers for many years, and has been pleased with the equipment performance, and the customer service received from Intermountain Sweeper, the local Tymco vendor.

To ensure the City is receiving the best value, bids were solicited from all vendors last year. The 2014 bid submitted by Intermountain Sweeper for a Tymco 600 sweeper best met the City's requirements, and was also the lowest cost bid submitted.

**RECOMMENDATION:**

Approve the purchase of the Tymco 600 Sweeper, with a 2011 Tymco 600 Sweeper as a trade-in. Cost of the new sweeper is \$238,150 minus the trade-in value of \$85,000, with the net purchase cost at \$153,150.
