ISSUE:

A resolution authorizing the execution of an interlocal agreement with the Attorney General’s Office, Bluffdale City (Saratoga Springs Police Department), Cottonwood Heights, Draper City, Granite School District, Murray City, Salt Lake Airport Police, Salt Lake County, Salt Lake City, Sandy City, South Jordan City, South Salt Lake City, Tooele City, Town of Alta, Utah State Department of Corrections, Utah State Department of Natural Resources, Unified Police Department, United States Marshal for Utah, University of Utah Police, Utah Transit Authority (UTA), Utah State Department of Public Safety, Utah Motor Vehicle Enforcement Division, and West Jordan City for the purpose of providing mutual assistance in situations involving crimes, disturbances of the peace, riots, and other emergency situations.

SYNOPSIS:

The agreement for mutual aid in law enforcement matters between West Valley City and other cities in and around the Wasatch has become outdated. This interlocal cooperation agreement will allow the West Valley City Police department to continue to give aid and assistance to the other jurisdictions named in the agreement and receive assistance and support from those agencies in return.

BACKGROUND:

Law enforcement agencies have varying resources of equipment and personnel. It benefits all cities and their citizens when law enforcement agencies work together, pooling these resources, to prevent and detect crime, and to respond to major incidents such as riots and mass shootings. Under previous interlocal agreements the West Valley City Police Department has rendered aid to, and received aid from numerous agencies throughout the Wasatch.

RECOMMENDATION:

It is recommended that the City Council approve this interlocal multi-jurisdictional aid agreement for sheriff and police services.

SUBMITTED:

Lee W. Russo, Chief of Police
