**ISSUE:**

Approval of a Local Government Project Contract MOD 1 with Taylorsville and Avenue Consultants through UDOT for traffic signal improvements at three intersections on 4100 South; 1300 West, 2700 West and 4000 West.

**SYNOPSIS:**

This is a modification of the consultant contract for additional right-of-way tasks that were not included in the original contract. This does not add to the fiscal obligation of the City.

**BACKGROUND:**

Additional right-of-way impacts were identified at the intersection of 4100 S 4000 W that required additional survey and documentation work by the consultant.

**RECOMMENDATION:**

Approve Local Government Project Contract MOD 1 with Taylorsville and Avenue Consultants through UDOT.

**SUBMITTED BY:**

Erik W. Brondum, P.E., Transportation Engineer
